CONSENT FORM & MEDICAL DECLARATION

To be completed by each participant or, if participant is under 18yrs, by parent/guardian.

PART 2.

Medical Information:

It is important that the staff on site are made aware of any illness, allergy or medical conditions of each participant and/or their child/dependant. Please use the spaces below to state, in confidence, any health issues relating to you or your child/dependant, of which **just SUP uk** should be aware.

Please also state if you or your child/dependant is currently receiving treatment or medication.

Current Medical Conditions: Please tell us about any medical conditions, allergies or injuries etc (past or present) which may affect you or your child/dependants' ability to participate in the activity/event. If none, please state 'none' below.

Medication: Please tell us about any medication that you or your child/dependant are currently taking. If you or your child/dependant are allergic to any medication, please clearly state this also. If none, please state 'none' below.

Other Information: Please tell us about any other information that you think **just SUP uk** should know about regarding you or your child/dependants' participation in the activities/events. If none, please state 'none' below.

By signing this Consent and Medical Declaration form I give my permission for the organisers of any activities or events on behalf of **just SUP uk** to administer first aid, medication (as detailed above) or treatment, to me or my child/dependant. In the event of an emergency, I consent to any medical treatment which, in the opinion of a medical practitioner, may be necessary.
